Kanazawa University Advanced Preventive Medical Sciences Research Center

“Open Position (Five-year-fixed-term contract)”
Tenure-track Associate Professor of Advanced Preventive Medical Sciences Research Center, Kanazawa University

(Application deadline: 5:00 p.m.(JST) on Friday September 24, 2021)

Kanazawa University is an Equal Opportunity Employer and welcomes international and female applicants.

Kanazawa University Advanced Preventive Medical Sciences Research Center invites applications for a full-time tenure-track faculty position. We are seeking candidates at the associate professor level.

1. OPEN POSITION: Associate Professor (Tenure-track)

   Working condition: A full-time associate professor with the 5-year term.

   Promotion system accompanied by the examination after expiration of the term: According to the result of the internal review in Kanazawa University concerning research and the educational achievements, the promotion to a tenure professor is possible.

   Research budget: Kanazawa University provides the tenure-track associate professor with funding support for the startup of their research.

   Outline of a tenure grant standard as follows.

   In summary, (1) It is admitted that the result of research in the field concerned is especially excellent. (2) The planned research program is properly attained. (3) It is admitted that the educational results to students, namely research instruction and/or the contents of a lecture are excellent. (4) Sufficient government grants given through competition etc are gained and the research is carried out.

2. AFFILIATION: Kanazawa University Advanced Preventive Medical Sciences Research

3. DEPARTMENT AND SCHOOL CONCERNING THE RESPONSIBILITY OF RESEARCH AND EDUCATION:

   (a) Faculty of Medicine
   (b) School of Medicine
   (c) Graduate School of Advanced Preventive Medicine
   (d) Graduate School of Medical Sciences

   It is noted that appropriate Japanese language communication skills are generally required for the education.
4. **SPECIALITY:** Research on genetic bioinformative medicine, immune system and microbiome, systemic control and environmental medicine or international preventive health

5. **WORKING DUTY:**
   
   Research execution of above specialty is required. For more details concerning the Graduate School of Innovative Preventive Medicine being founded, please visit the following website: http://www.kanazawa-u.ac.jp/university/administration/regulation/rules.

6. **QUALIFICATION:**
   
   (1) Applicants should have obtained a doctoral degree.
   
   (2) Applicants should have the capability and passion to perform research by standing on a broad field of view in the above-mentioned special field of research.

7. **START OF EMPLOYMENT:** The earliest possible date after January 1st, 2022

8. **APPLICATION PROCEDURES:** The following documents, in an A4 or letter size, need to be provided. The submitted documents will be destroyed after the completion of the selection process.
   
   a. *Curriculum vitae* with a recent photograph of the face, describing present address, phone number, e-mail address, academic career, research career, professional career and others.
   
   b. List of research activities, including original scientific papers, book chapters, other publications, presentations in scientific meetings, awards and others.
   
   Note: name of the co-authors in individual papers should be indicated in the order of appearance.
   
   (It is desirable to describe the impact factor (IF) value and the number of citations. The IF value and the number of citations should be based on the submission date. (For the IF value, enter the value provided by Clarivate Analytics, and for the number of citations, enter the value aggregated by SCOPUS.)

   c. List of research support (duration, name of grant, title of education/research, and amount of money should be included.)
   
   d. Details of research experiences (two sheets in free format)
   
   e. Ambition for future research (two sheets in free format)
   
   f. Offprint of main published papers (maximum number of paper is five, hard copy are acceptable)
g. A letter of recommendation or the names and e-mail addresses of at least two reference persons

h. Other materials worthy of special mention

Send all the documents by registered mail with “Application Enclosed” marked on an envelope to Professor and Chair Hiroyuki NAKAMURA at Kanazawa University Advanced Preventive Medical Sciences Research Center, 13-1 Takara-machi, Kanazawa 920-8640, Japan

9. APPLICATION DEADLINE: Documents must arrive by 5:00 p.m. (JST) on Friday, September 24, 2021

10. SELECTION PROCESS: After examination of the submitted documents, applicants may be asked for an interview. Kanazawa University will not cover the expenditure for this matter.

11. CONTACT PERSON: Professor Hiroyuki Nakamura: Tel., +81-76-265-2218; E-mail, hnakamu@staff.kanazawa-u.ac.jp
    Mr. MUROKI Tel., +81-76-265-2112; E-mail, t-jinji@adm.kanazawa-u.ac.jp
